Wokingham CC Juniors 2017

Membership of the Junior Section

For the 2017 Season is **£95**. Registration can be done online using the following link <http://www.wokingham.cc/cricket/membership/> Cheques payable to "Wokingham Cricket Club" (Please write your child's name on the back with age group and membership number)

CRICKET CLOTHING All juniors are expected to wear **club cricket shirt and whites for games, including predominantly white footwear. White tops and trainers with good grip needed for training. The only equipment we encourage boys and girls to buy is their own box (abdominal protector).**

Wokingham Cricket Club will not allow any young player to bat, or stand up to the stumps when keeping wicket against a hard ball without wearing a helmet and an Abdo Guard. Wokingham Cricket Club can provide helmets in the Club equipment for use as required.

All juniors (and parents) are encouraged to register on ECB Play-cricket website here: <http://wokingham.play-cricket.com/>, to follow their own statistics online. (Unique e-mail address needed for each person.)

We expect parents or carers to notify the coach or manager when a child arrives or leaves a Training session (a register is kept) or a match.

If training or match is cancelled for any reason (e.g. rain/weather) in the first instance we will post a notice on our Facebook page. We will give training and matches every chance to go ahead, so cancellations may be as close as 30 minutes before the start time
